Our 2023 Business Equality Luncheon Recap!

On October 12th, we were joined by over 300 of our corporate community partners and friends at the Pfister Hotel for our annual Business Equality Luncheon! We are so grateful for the support of LGBTQ workplace equality and the willingness to listen, learn, and grow with us as we continue to support the LGBTQ communities in Wisconsin. THANK YOU for helping to make this day possible!

Thank you as well to our incredible keynote speaker, **Dr. Jesse Ehrenfeld**, who gave a heartfelt and inspiring message around the importance of advocacy for the LGBTQ community in healthcare.
