What's New ?

A message from our President

Dear Supporters,

It would be clichéd for me to say that the summer went by in a flash but I'm going to say it anyways! It's hard to believe we are now less than a month away from our **2023 Business Equality Luncheon on October 12th**. The next few pages of this newsletter will give you all a great update to what CCF has been up to since our last newsletter in June and we've been busy!

Our 2023 Summer Social was a sold-out, smashing success. I'm still smiling from the outpouring of community support. You all showed up, "showed your pride" and raised over \$20,000 in support of the foundation's mission. We also recently announced one of the largest years ever for our scholarship program with **\$50,000 awarded to 20 amazing students**.

Thank you all for your support of CCF and the LGBTQ+ communities of SE Wisconsin!

Best Wishes,

Charlie Nash - CCF President & Board Chair
